SHOULD SLOAN'S LINIMENT GO ALONG?

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for a sudden attack of toothache, stiff neck, backache, aches, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.—Adv.

FINE AUTHOR OF 'PAM' FOR ALIEN OFFENSE

Of American Birth, She Goes to Visit Children Without British Permit.

LONDON, Aug. 16.—Baroness Bettina von Hutten, author of "Pam," "Pam Decides," and other romances that have had a large sale, was fined \$50 in court today for traveling more than five miles away from her place of residence without a permit. The Baroness, although of American birth is listed as an alien enemy because she married a German.

Counsel in her defense declared the Baroness had not a drop of German blood in her veins, and had as much aversion to the Germans as anybody in England. Two of her children have been sent to Germany since the beginning of the war, and it was a visit from her residence, Holborn House, Chelsea, to two other children in a village in Herts, that resulted in the fine.

HEPPNER CLUB EXPLOITS ROAD THROUGH CITY

Posts Cards Directing Autoists to Take Blue Road From Pendleton to The Dalles.

In an effort to route auto tourist traffic through their city, Heppner business men are posting cards along the Columbia highway and in this county reading, "Blue Trail—Ber Road—Pendleton—The Dalles."

The road from Pendleton to The Dalles by way of Heppner leads through Pilot Rock, Nye and Vinson. The Morrow county court has done considerable work on the road in their county and the Unatilla county court, assisted by residents of the south end, has also been doing some improvement work. It is this road that the Morrow county court intends improving as an extension of the Columbia highway.

NEWSIE'S DOG GROWLS AT HEADLINE PEEPERS

CHICAGO, Aug. 16.—Newsboys with street corner stands believe there is a limit to the time a passerby may stop and read the headlines of newspapers on their stands. One of these sellers has left the final verdict to his dog. Nellie has been so well trained she seems to know when a person means just to keep on reading with no intention of buying.

Nellie passes many hours daily on a shelf in the stand where her master's papers are displayed. When a pedestrian stops long enough to read the war news of both Europe and Mexico she utters a slight growl. The next warning is a bit louder. If the reader

NEITHER WAS PRETTY, SO WEDDING'S OFF

HAGERSTOWN, N. D., Aug. 16.—Because they resorted to the deception of sending each other photographs of moving picture stars, Miss Esther Gulbranson of Minneapolis and William Benjamin failed to recognize each other when they met in Hagerstown, according to appointment, to be married.

"No wonder I did not recognize him," Miss Gulbranson said.

She had received, she said, a picture of Maurice Costello, while Mr. Benjamin said the photograph he got

through the mail was that of a screen beauty, famous the world over. The romance began through a matrimonial paper. The marriage was called off.

HUSBAND OBJECTS TO OPERATION

Wife Cured by Lydia E. Pinkham's Vegetable Compound

Des Moines, Iowa.—"Four years ago I was very sick and my life was nearly spent. The doctors stated that I would never get well without an operation and that without it I would not live one year. My husband objected to any operation and got me some of Lydia E. Pinkham's Vegetable Compound. I took it and commenced

to get better and am now well, am stout and able to do my own housework. I can recommend the Vegetable Compound to any woman who is sick and run down as a wonderful strength and health restorer. My husband says I would have been in my grave ere this if it had not been for my Vegetable Compound."—Mrs. BLANCHE JEFFERSON, 703 Lyon St., Des Moines, Iowa.

Before submitting to a surgical operation it is wise to try to build up the female system and cure its derangements with Lydia E. Pinkham's Vegetable Compound; it has saved many women from surgical operations.
